ORDER NO. FL. 2738-41—G.F. 52-52-1, DATED BANGALORE, THE 31ST MAY 1952.

A system of compulsory insurance of the lives of Government servants was introduced in the State in the year 1891. This beneficent measure was thrown open to the public in 1916. Since then, the activities of the Department have increased enormously both in the volume of the business done as well as in its complexity. The number of policies in the Official Branch as in force at the end of March 1952 stands at about 52,000, the sum assured being Rs. 6·25 crores while the number of policies in the Public Branch comes to about 1,11,000, the sum assured being Rs. 11·5 crores.

2. From the year 1946 the Department has undertaken the Motor Insurance Scheme. The balance at the credit of the Motor Insurance Fund is Rs. 7·95 lakhs, the number of policies in force in respect of Motor Vehicles being 2,500. The question of starting a Fire Insurance Scheme as an adjunct to the business carried on by the Insurance Department is under the consideration of the Government.

3. The business of the Department has grown so complex that it is considered necessary to reorganise the present system of working of the Department so as to place it on a sound footing with the object of attracting business in a greater measure than at present.

4. With a view to examining in detail the scheme of reorganisation of the Department, and to submit suitable proposals thereon to Government, a Committee consisting of the following gentlemen is constituted:—

Sri J. Appaji Gowda, B.A. (Hons.), Minister, Government of Mysore (Retired).
Sri M. Shamanna, M.A., Secretary to Government, Finance Department.
Sri A. C. Nirvani Gowda, B.A., Secretary to Government, Education Department.

5. Pending consideration of the proposals for reorganisation, a post of General Manager, Mysore Government Insurance Department, is sanctioned for a period of two years. Orders have been issued in Notification No. Ch.S. 2347—G.E. 44-52-1, dated 22nd May 1952, appointing Sri J. Appaji Gowda, B.A. (Hons.), as General Manager.

ORDER NO. FL. (B) 2274-81—L.F.A. 64-51-4, DATED BANGALORE, THE 10TH JUNE 1952.

Revision of the Syllabus for the Subordinate Accounts Service and Accountants Examination.—The Board have recommended that there is no need to have an intermediate examination between the Accounts Higher and Subordinate Accounts Service Examination and that the Accountants Examination may be abolished. The Subordinate Accounts Service Examination has been proposed to be held in two parts with necessary changes in the syllabus and the rules, a pass in the Part I being made obligatory for crossing the Efficiency Bar at Rs. 130 (instead of a pass in the Accountants Examination for crossing the Efficiency Bar at Rs. 90 as at present) and for appearing for Part II of the Examination.

The Board has also recommended that such of those who have already passed the Accountants Examination may be permitted to cross the Efficiency Bar at Rs. 130 but such exemption will not obviously apply for passing Part I of Subordinate Accounts Service Examination.

The above proposals of the Board are approved and revised rules and syllabus of the Subordinate Accounts Service Examination will be as in the annexure.
